

# Child and Youth Services Child Development Center Tiger's Summer Camp News

July is a very busy and exciting month for the children enrolled in the Tiger's Summer Camp. Many special activities are planned for Tiger campers. The campers will take trips to Fountain Rock Park, Strawberry Hill Nature Park, Six Flags Amusement Park, and enjoy the annual Tiger's Overnight Campout.

We are also very happy to be able to bring the educational program, Scales and Tales to visit the center. This program focuses on the different types of wild life found in the great State of Maryland. Children find the program exciting and have the opportunity to see and touch some of the animals in the program. A very special science event is also scheduled through Mad Science, a program developed to share with young children, the value and excitement of science in our world. The Mad Science Program allows children the opportunity to take part in many different simple science experiments.

We encourage you to talk daily to your children about their experiences at camp and build on the many great things they are learning. The Tiger's staff and children send best wishes to all the Child and Youth Services families for a happy and safe summer.

## **PARTNERS IN EDUCATION FORT DETRICK ADOPT-A-SCHOOL PROGRAM**

### **I nvesting in the Future!**

The Adopt-A-School Program is a Partner's in Education Program between Fort Detrick and Frederick County Public Schools (FCPS). Fort Detrick and FCPS entered into an agreement to encourage employee community service supporting education through a tutoring/classroom volunteer program.

This program offers many opportunities for Fort Detrick employees to give time as volunteers in the FCPS. Participating units and agencies provide up to 90 minutes of time from the duty day, per week, per military member or civilian to participate in this worthy program. Military members and civilian employees must have supervisor approval to register and participate in the program. Volunteer opportunity exists in every Frederick County Public School. We are especially interested in placing volunteers at Whittier Elementary, West Frederick Middle, and Frederick High School. These schools serve Fort Detrick students who attend CYS Programs or live on the installation. Many parents are interested in volunteering at their child's school and this is usually an option for employees as long as the school is within a 15 to 20 minute drive of the unit or agency. Additional programs in need of volunteers are the English as a Second Language Program, FCPS Career and Vo-Tech Center (located at the Frederick Community College Campus), South Frederick Elementary, and the Child and Youth Services Whittier After School Homework Club (Whittier Elementary).

#### **Simple Steps to Becoming an Adopt-A-School Volunteer**

1. Contact Beverley Tuggle, Child and Youth Services Liaison, Education and Outreach Services Director for specifics at 301-619-3247.
2. Contact your supervisor for approval to register in the program and participate during the duty day.
4. Call Beverley Tuggle at 301-619-3247 to discuss placement in a school or program and set up an appointment for registration and training as an Adopt-A-School volunteer.
5. Record your hours on the form provided at training and fax to Beverley Tuggle at 301-619-5108 on the first day of each month of each month.
